

The "BabyCare" product name is centered in the lower half of the image. It is written in a large, blue, cursive font with a white outline. A pink heart shape is positioned behind the letter "B".

BabyCare is showing you what fetus & mom is saying.

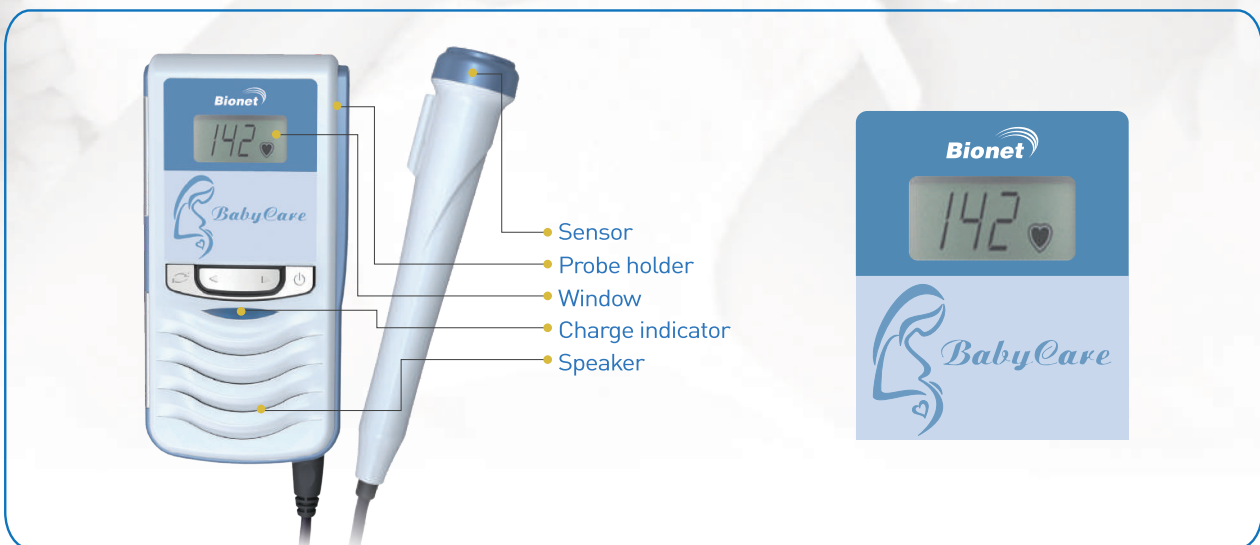

BabyCare is a compact pocket doppler, which provides crystal clear fetal heartbeat sound. Being operated with battery, it allows babies to be checked anywhere, at any time. Using high sensitive and harmless ultrasound sensor, it detects and displays the accurate FHR on the LCD. BabyCare is especially suitable for routine use in OB/GYN. CE approved.
